

Task 1: Map

Subject: The map below is of the town of Garlsdon. A new supermarket (S) is planned for the town. The map shows two possible sites for the supermarket.

Model Answer #1

Response:

The pictorial diagram of the town of Garsldown showcases the proposed new supermarket and two potential sites for its location.

Overall, the map indicates that Site 2 is situated in the center of Garsldown, which boasts a high population density, while Site 1 is located in the countryside.

Site 1 is planned for the northwestern side of the map. Furthermore, both a railway line and main roads are located nearby. It is also close to Hindon Town, which is 12 kilometers away and has a population of 10,000.

In contrast, Site 2 is positioned in the town center and is part of a no-traffic zone. However, it is easily accessible due to three main roads leading to it. These roads connect Site 2 to Cransdon, located 25 kilometers to the southeast with a population of 29,000; Brandson, which is 16 kilometers to the southwest and has a population of 15,000; and Hindon, which is 12 kilometers away. Additionally, the railway line runs near the Town Hall.

Moreover, the areas surrounding Site 2 are comprised of housing and industrial zones to the north and east.
